

```
Sophus::SE3GroupBase  
< Map< Sophus::SE3Group  
  < _Scalar >, _Options > >
```

A diagram illustrating the relationship between two C++ classes. A light gray box at the bottom contains the text 'Eigen::Map< Sophus ::SE3Group< _Scalar >, _Options >'. A blue arrow points vertically upwards from this box to a white box at the top. The white box contains the text 'Sophus::SE3GroupBase < Map< Sophus::SE3Group < _Scalar >, _Options > >'. The arrow indicates that the Eigen::Map class is a specialization or wrapper for the Sophus::SE3GroupBase class.

```
Eigen::Map< Sophus  
::SE3Group< _Scalar  
  >, _Options >
```
